ABOUT US

Al Hendawy Medical Center is a healthcare facility dedicated to offering cutting-edge, precise, and reasonably priced healthcare to everyone in need of our medical knowledge. Dr. Ali Hendawy, a renowned pediatric specialist from Egypt, founded it in the year 2005. At Al Hendawy, we employ our cutting-edge academic expertise to provide the community with individualized, research-based healthcare services. Our workforce of qualified physicians, licensed nurses, and paramedical workers ensures complete medical care delivered with clinical accuracy, compassion, and in the safest possible settings.

SPECIALITIES
